

Christmas Performances – Monday 10th December 1.15 p.m., Tuesday 11th December 7 p.m. and Thursday 13th December 7 p.m.

This year we will be doing a whole school performance of 'Scrooge' which also incorporates a nativity performed by children from Class 1. It's quite a challenge to organise all the children with lots of singing and prop changes. We are currently keeping our fingers tightly crossed! The performance hasn't been timed yet, but should be roughly an hour. I hope you appreciate that we need to find a balance between it being early enough for the youngest children, but at a time when working parents can get back to see their children perform. We will send a letter telling you about the times your children need to be back in school to get ready.

When we are planning our Christmas performances, we have to be mindful of the fire regulations and the numbers we can safely accommodate in the hall. I would be grateful if you could return the slip below for the afternoon/evening you would like to see the children perform. The Monday afternoon performance is most suitable for young children to attend, rather than the evening performances. We will allocate 2 seats per family at first and then on Thursday will allocate the spare seats, up to a maximum of 4 extra, based on the order we received your slips and the number of seats we have left. I know there are many grandparents who enjoy the children's performances and this is the fairest way to allocate seats to those who wish to come. We will send out the tickets on Friday.

Thank you,

Gill Stripp
