SCHOOL NEWS

Spring 2008

January 23rd

The football team did really well on Saturday and were undefeated in three matches. They came up against a determined goalkeeper who managed to keep numerous shots on goal out of the net! Sadly, they did not progress to the next stage, but they played extremely positively and we were all really proud of their efforts. Many thanks to the families and staff who went along on a wet Saturday to encourage and support them.

The showjumpers (Lucy and Daisy Moore and Imogen Greenway) were also out on Sunday – not quite so wet, but certainly very chilly and muddy! They competed for the first time as a team of three and all achieved clear rounds in the first round of jumping. The rather spooky fences in the second round posed a stiff challenge and the girls did very well. Thank you to those of you who were there supporting them.
(Pictures of both teams are on the website)

Next Monday we will be going to King's College to run in the cross country. I am sure we will have a large team of runners once again.

Mr Pepper will be taking a Tuesday lunchtime rugby club this half term and next half term we have a new coach, Tumi (?), who will be re-starting rugby club on Tuesday 26th February, 3pm -4pm.

Miss Wood is sending a uniform order next week, so please collect a form from the office if you need anything this term. (There is also a copy of the form on the website)

Finally, I am thrilled that homework club is so popular (34 children at the last count) and the children work really well. However, I am monitoring the situation, as this is a large number to help in a meaningful way. I will let you know if I have to restrict the number to make this club a manageable, happy and safe experience (for all of us!).
