

Lydeard St Lawrence
SCHOOL NEWS

Spring 2008

28th February

We have had a couple of lovely new resources arrive this week!

We have some new foldaway instant table and chairs, which we can use for hot meals, breakfast club, booster classes and a whole host of other things. The other new resource is a set of children's size garden tools, which were purchased by Mrs Bennett as a leaving present to the children of the school. I have put some school fund money to hers and we now have a lovely set of a dozen wooden and stainless steel tools for the children to use in the secret garden and around the school. I will put a photo on the website when we use them next week. A very big thank you to Mrs Bennett for her generous gift.

I must apologise for any confusion over clubs this week. All clubs operate from next week, and from next term a list of dates for the term will be sent to you, so that everyone is clear which club runs when. I hope this will help everyone.

We have an offer to run an after school French conversation/activity class for the children. It would probably cost £2 per session (45mins) and would possibly involve a different activity each week and learning the vocabulary in a practical way. If you would be interested in this for your child, could you please sign the list on the noticeboard outside the porch, or ring the office to add your child's name to the list.

World book day is next week, March 6th. Mr Pepper and Mrs Pickard plan a book swap, but we did not intend to organise a 'character day' for the children. However, several children want to dress up as their favourite character for the day, and I am more than happy for them to come to school dressed as this character if they wish. This will not involve any money collection, it's just for fun!

A new set of menus for the rest of term will be coming out next Monday, so please look out for it and return it to school before next Wednesday morning. I hope it is helpful to have more than meal at a time, but anyone can book an additional as long as we know by Wednesday mornings at the latest, for shopping purposes.

Have a good weekend,

Gill Stripp
Headteacher
