19 th	Last Day of Term	phew...

School starts Monday 5th January 2009

Christmas will officially start at school tomorrow with the Christmas Fair! We look forward to seeing you all there. Remember you can buy turkey roll, soup and cakes if you don't have time to eat after work!

All the usual stalls and lots of twinkle and fun for the family. Please support the children and enjoy yourselves at the same time.

Thank you for your travel questionnaires and comments. I hope all the people who have contacted me in the past about parking and driving speeds etc outside the school have filled in a response form to make your views known. If you need another form, do ask Sarah, in the office. I will send you a summary of the findings as soon as we have collated them.

In respect of the parking outside school, we have been asked by the bus and taxi drivers to remind you to keep the gates at the end clear for the school transport. As vandals have broken the no parking signs, I am reminding you until new ones have been made.

A small group of teenage boys and a girl are regularly seen on and around school property at the weekends and after school. PCSO Cridland will be following this up, but I am anxious to have ANY information to put a stop to this behaviour. If you know that children above primary school age are on the site, please contact me at school or home on 01823 451455. (Not after 10.00pm please!!) It is a shame that we cannot trust everyone to behave appropriately on the school grounds.

See you at the Fair!

Gill Stripp
Headteacher.
