

Lydeard St Lawrence SCHOOL NEWS

Spring 2009

March 2nd

A big well done to the School rugby players, who continue to do well in the Primary School Tag Rugby League. They played as a team and supported each other – resulting in three wins and a draw! Thank you also to those who supported and encouraged them. Today the footballers and cross country runners are out representing the school, so we hope they also have a successful afternoon.

Mrs David has planned lots of exciting activities for Science week, with visits and visitors in all the classes. The class teachers will be concentrating on science activities all week, so we are looking forward to it very much! The trip to Bristol means that Team Theme have changed their day next week to Monday 9th March. We will remind the children on Friday.

Last Friday yr 6 and some of their parents worked very hard to raise some money for their special day trip at the end of term. Many of the children were extremely generous with their toys and belongings and they would like to thank those who supported them by buying toys books and cups of tea! They would also like to remind those who have IOUs outstanding to drop them in to the office in a named envelope please.

The PTFA are meeting on Friday at 3pm and everyone is welcome. If you have school-age children and need to use after school care, Jayne Maxwell must know by Wednesday. Please contact Rah Cattell to tell her if you need your children looked after for the hour.

Year 6 parents' evening is cancelled as Mr Pepper is away this week, but we will send a letter later in the week to let you know the new date. We apologise for any inconvenience.

Apart from football clubs the pitch is not in use due to the state of the ground. Can I remind all parents to restrict after school play to the playground and the bark area, so that the clubs and school PE can continue.

Have a good week,

Gill Stripp
Headteacher
