

Lydeard St Lawrence
SCHOOL NEWS

Spring 2009

23rd February

Welcome back!

We have a few slips to return and reminders about forthcoming events this week.

As part of our healthy school development we will be offering school milk after Easter. This is free for the under fives and costs 22p per day for the older children. If you would like your child to have school milk at break time, please return the attached form to your child's class teacher.

The football coaching company will be continuing this half term, but on Thursdays beginning this week, as they have two lessons outstanding for existing club members from last half term. Please complete the registration form for this half term and return to school.

There are a few outstanding permission slips for the school visit to Explore during Science Week. If you have lost the original slip, please ask for a new form.

There is no hot lunch this week, but we are sending out slips for the rest of half term. (The science trip is on a Thursday, so that is not included.) These slips are also being sent out today.

Finally, I am afraid to say that there was a break in over the holiday, and Class 2 had a computer stolen. I would be grateful for the names of any children playing on the site over the holidays, as they may have seen other children/teenagers here around the time of the break-in. I will be writing to the parents of all the people seen on the site, who are not pupils of the school, to ask if they saw anything unusual and to flag up the fact that these children were here unsupervised.

If anyone has any information, please contact me as soon as possible. Many thanks.

Have a good week,

Gill Stripp
Headteacher
