Summer 2009

May 12th

Everyone in Key Stage 2 is busy doing assessments of different kinds this week. The children in year 6 are focusing on breakfast at the beginning of the day, before their SATs test begin!

It seems that this half term has gone very quickly and next week is GWA. Unfortunately I have a primary head teachers' meeting that day, so the staff will be sharing the children's good work on my behalf.

The interview process for the new Senior Teacher is under way, and the closing date for applications is Friday. We will keep you informed as much as possible. The School Council have been thinking of ideas for being involved in the decision making process. These have been very constructive and follow on from their help in drawing up the advert.

We continue to collect Sainsbury's and Tesco vouchers. Please check your bags and pockets and your neighbours if they have any to donate. Mr Villis is busy counting them and he wants more work to do!

Rah Cattell's dance group are busy preparing to entertain the public at the 'Big Picnic' in Taunton on the next Bank Holiday. Do encourage them if you see them.

Have a good week
