

Lydeard St Lawrence SCHOOL NEWS

Summer 2009

21st April

Welcome back for the summer term.

Unfortunately, Mr Pepper has not been able to return this term and his post will be advertised next week for the beginning of September 2009. I will keep you informed as to the timetable and outcome of the interview process.

We have lots going on this term, so please keep the newsletter to hand if there are any dates or times you need to remember. These are also available on the website, www.lydeardstlawrenceprimary.co.uk along with other information. We will be updating the site in the next few weeks.

Fruity tuck is still £1 per week, in spite of the rise in fruit costs. Please provide your child with a piece of fruit for their morning break if you do not use the scheme, as they are often hungry mid-morning. The children also need a named sports bottle (or re-cycled water bottle with a spill-proof top) with water in for drinking throughout the day. These can be filled from the water cooler, but need regular washing at home.

The milk scheme has started this term and the children whose forms and payments have been processed by the company have been having their milk at playtime. We get up to date records weekly, so if you want to join the scheme, contact Sarah for a form and we will pass them on.

Clubs and hot lunch slips went out last term (!) If you have not returned these please do so before the end of the week, so that our registers can be updated. Clubs and hot lunch begin next week.

I would like to clarify that the letter Rah Cattell sent last term about involvement in the great picnic on 25th May was not restricted to dance club members. Rah will be holding rehearsals at lunchtime for any children who wish to join in, so do contact her if you would like your children to be involved.

The literacy training held for our staff, with other local schools, was very interesting – you may be hearing your child doing a lot more ‘talking’ about writing, to develop their understanding of how we compose and construct the written word. We will give you more information about this as the pilot progresses.

Have a good first week back!

Gill Stripp
Headteacher
