SCHOOL NEWS

Spring 2010

11th February

Those of you who collect the children at the end of the day will notice that the grass has been rolled, cut and re-seeded. Unfortunately it is NOT fit for use, so please keep the children off the field until we have some more regrowth and the ground has settled more. I will let you know as soon as we can use the field normally again.

The PTFA disco is from 6.30 – 8.00 on Friday night, and hopefully the money from the cake sale today will cover the costs. Please sign your child in at the library entrance and collect them promptly. If you feel that 8.0pm is too late for the younger ones, or it is their first time at a school disco, you might like to collect them earlier.

Clubs and classes will begin again from the first week in March. We will send a slip out after the break, and expect the children to attend all sessions in the half term, so that staff can plan for the right numbers. I am pleased to see a big improvement in the behaviour and enjoyment of the clubs and activities after and during school time. The children are working hard on presenting a positive and polite attitude and very few warnings have been given. Thank you for your support in this.

Jo McKenzie has been appointed as your new parent governor and we look forward to working with her on the governing body. Another place is now vacant and any parent wishing to put their name forward for the role of school governor should contact the Clerk to the Governors, Sarah Wood, for the application forms or more details.

Many thanks to Graeme Morley and Phil Luxton for their work on the governing body to date, as we very much appreciate the contribution they have made.

We will be returning to school on Monday 22nd February.
Have a good half term break

Gill Stripp
Headteacher
