

Lydeard St Lawrence SCHOOL NEWS

Summer 2010

26th April

Now that we are all back to school I would like to extend a warm welcome to Cara Cresswell, in Class 1.

I hope you all have had a chance to read the Ofsted report, which should now be live on the Ofsted website. We will update our own website as soon as possible. Thank you to all of you who responded to the questionnaire. The inspectors and I discussed the issues raised by all parents, even if these were not reflected in the report, and I will be sharing this with the governors. They will be writing to you later in the term to outline the actions we plan to take to continue to move the school forward. Most of these are already planned in our School Action Plan, agreed before the inspectors arrived.

I was particularly pleased with the fact that Mrs Cox recognised the hard work and contribution made by the children to school progress, in addition to all the other aspects of school development.

There are 2 changes of date for activities later in the term. Sports day and Good Work Assembly clash with the dates we now have for yr6 transfer activities, so the changes are: sports day 9.15am, 6th July (reserve day 8th July)
GWA 1.15pm, 14th July in church.

Dates of PTFA events will be sent to you with the next news letter.

PC Fyne, our community police officer, has asked me to distribute a letter regarding parking in the vicinity of the school. Please find it attached.

Fruity tuck is £5.80 and £7.00 for the 2 half terms (payable to L St L school) £12.50 for the term.

Clubs, lunches, Film on Friday will all continue as planned or advertised and we will let you know of any further items as they arise.

Ladybirds pre-school still have places available in some sessions, so if you know of any families in the area currently looking for provision for their children, do contact Ali Morley at the preschool for more information.

We are still collecting vouchers, so check your purses and pockets for any vouchers you might have at home. We would appreciate it if you would ask friends and family to support us.

If any of you have excess seeds or seedlings, or are splitting up plants in your garden, please share them with the school environment group, as we are a bit behind with getting our garden planted!

Have a good week,

Gill Stripp
Headteacher
