

Dear Parents,

EMERGENCY PROCEDURES – EXTREME WEATHER

We aim to keep the school open when possible, depending on road conditions, staff attendance and parking and safe approaches to the school. You must make the final decision as to the safety of your route to school.

If overnight or weekend snow occurs to an extent that might cause the school to be closed a decision to close will be made as soon as possible and the contact parents in the cascade are informed by 7.45am.

Please ring the contact allocated to you (see overleaf) between 7.45 and 8.30 for confirmation.

If snow falls during a school day and you suspect that early closure is likely, please telephone the school to if you need to collect your child early. Only if firm arrangements for children's care are known will the children be sent home before the normal end of the school day.

If you live in an outlying area where road conditions quickly deteriorate **please do not hesitate** to come and collect your child.
