

Lydeard St Lawrence
SCHOOL NEWS

Autumn 2011

13th October

Good Work Assembly will be in the school hall next Thursday at 1.30pm. You are very welcome to join us to share some of the work that the children are proud of and want to present to you.

I would like to thank Lizzie Hill for her work as one of our Parent Governors. She is stepping down and there is now a vacancy on the governing body for a parent who would like to make a contribution to the life of the school in this way. If you are interested and want to know more, please contact Sarah Wood, clerk to the governors, who will give you more information and an application form.

Sarah is sending the uniform and photograph orders on Monday, so please make sure that you have returned them to the class box by then please. Uniform orders need cheques payable to Lydeard St Lawrence School please.

Film Club Monday will have its first showing next Monday! As usual, we will be finished by 5.00pm at the latest. Please send £1 for child care, as we don't start until 3.15pm, and if you would like your child to buy a drink or a snack please put their money in a named purse.

We are collecting Morrison's vouchers, and these are being given out until 30th October. Could you please round up any that you may have in pockets or purses and ask your friends and neighbours to collect them for us as well. They have to be sent off a few weeks after this, so please pop them in the box in the library as soon as possible.

Well done to the rugby players who represented the school last night. I was proud to hear how well they played as a team and what a good example they set. It was especially good as they had 4 wins out of 4!

The cross country runners did well to finish 5th at the last relay event at King's College. Everyone made a real effort to get round in a good time and Ben Luxton clocked the fastest lap of the day.

Finally, if you are in an 'Autumn cleaning' sort of mood over half term and find you have clothes, bedding, soft furnishings, shoes or bags to find a new home for, then please bag them up and send them to school (or direct to Fern Baker's garage!) as we sell them by weight to Bags2School, which is a company that promotes small enterprises in Eastern Europe by selling these items on to them in bulk for re-sale. The proceeds from this go to school funds to provide extras for the children.

Have a good weekend,

Gill Stripp
Headteacher.
